CORSETS

"The Mould of Fashion"

Woman can select no more beautiful foundation for their gowns than **MODART CORSETS**

We emphasize strongly the comfort this unrivaled corset gives the body. The Modart not only gives shapely lines but it is constructed so as to connect all

minor deficiencies of form which detracts from a graceful carriage and bodily ease.

When properly fitted with a MODART CORSET and the De BEVOISE BRASSIERE your figure will always be in graceful contour. Our Brassiere fits snugly over the corset and conceals every suggestion of corset bulge or flesh line. The beautiful smooth surface imparted by DeBevoise Brassiere assures a superb foundation for your gowns. The cut shows one of many styles to be found in the

SAUSAGES

Made on Harrison County Farm Are Served at the Waldo.

A most delicious make of country sausage is being served to dining room customers at the Waldo hotel. The management of the hotel has closed a contract with a prominent Harrison county farmer, who operates one of the largest and best farms in the county, whereby the Waldo takes the whole output of the sausage made on his farm.

This farmer has made a specialty of country sausage for the last fifteen years and he always has a greater demand than he can supply owing to the superior quality of his output. Good country sausage tastes good this kind of weather. Try the Waldo's.

THE COST OF A NEW OVERCOAT is an important item of expense to the average citizen, and there is no reason why good money should be expended for one when that you wore last season can be made to look like a new one by sending it to Martin & Deem to be cleaned and done up. If it is somewhat faded and the color has lost its lustre we can dye it and practically make it into a new coat at a cost that is trifling in comparison to what you will pay for a new one.
